### PROGRAM INFORMATION:

I, \_\_\_\_\_ authorize Motohio to store my motorcycle. Motohio may operate the motorcycle for transportation, testing and inspection at their own risk.

I am aware that batteries do fail at any time and Motohio will not be held responsible for any batteries that fail when the bike is in storage. Motohio is not responsible for no-start issues from sitting.

Customer Initial: \_\_\_\_\_

No luggage, top case, GPS, communication system, or any personal items will be left on my motorcycle. Motohio is not responsible for lost or stolen items left on the bike.

Customer Initial: \_\_\_\_\_

The fee of \$299.00 will be charged for winter storage and must be paid in advance.

Winter Storage includes: secure, indoor storage, fuel stabilizer added and battery connected to your charger.

Bike should have at least ½ tank of gas for fuel stabilizer.

Please bring you own battery tender or purchase one from Motohio with a 15% discount.

Multi-point inspection will be done during storage and any additional service scheduled will receive 15% discount on labor. Safety recall verification for BMW, Ducati, Triumph and Vespa.

Winter Storage runs from October 1<sup>th</sup> to April 1<sup>st</sup>. If you pick up your motorcycle early no credit will be given.

Any motorcycle not picked up or delivered by the 15<sup>th</sup> of April will be assessed a \$25.00 per day storage fee until the motorcycle is picked up.
